

Kiwanis Club of Rock Hill

July 21, 2011

Volume IV, Number 53

Our Mission

Kiwanis is a global organization of volunteers dedicated to changing the world one child and one community at a time. The Kiwanis Club of Rock Hill raises funds and provides community service for programs that benefit children locally, provides scholarships and sponsors Circle K service clubs at Winthrop University and Key Clubs at local high schools.

The next meeting of the Kiwanis Club of Rock Hill will be on Thursday, July 21, 2011 at 12:30pm at the City Club of Rock Hill.

Del Smith, Co-Founder of Web Media Marketing will provide the program

Del Smith and co-founder Bill Fairman, founded Web Media Marketing in April 2011. He will present an overview presentation of the latest concepts of business on-line marketing and how those concepts are changing marketing paradigms. Del's experiences range from working in financial institutions selling and marketing residential and commercial loan programs. He was instrumental in launching Asset Stream Corporation, a high technology company, based in Boston during 2000. Bill and Del, while working with busi-

nesses, realized that most small to medium companies do not have a full understanding of or

comprehensive awareness regarding the power of online marketing to grow their business. Subsequently, they founded Web Media Marketing. Del and Bill He also pioneered the launch of "Bill and Del's Mortgage Market Review", a weekly informational broadcast to real estate brokers across the country.

UPCOMING MEETINGS

August 4, 2011 - TBA

August 18, 2011 - Doug Renew, Chief Investigator Office of the Secretary of the State

September 1, 2011 - TBA

September 15, 2011 - Dr. Lynn Moody - Terrific Kid Luncheon and State of the Schools Presentation

We would love to hear your suggestions for upcoming speakers and programs. Please contact Merritt Burger Croom at 803-326-3787 or mcroom@cityofrockhill.com with suggestions.

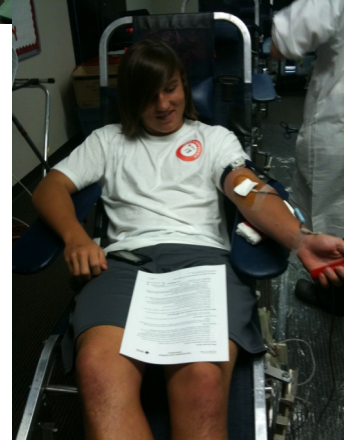

Kiwanis Club of Rock Hill

MEMBER NEWS

Lyle Back and Michael Croom, son of Merritt Croom, are pictured right giving blood at the Kiwanis sponsored Blood Drive at the American Red Cross Chapter House on June 20th.

Kiwanian **David Guyton** and teammates Leonard Tant, Boyce Adams, and Brian Sambuco are pictured left and were team "Judge and Jury"! They participated in the Metrodash at the Charlotte Motor Speedway on Saturday, June 11th. It was 30 obstacles, and they finished in 10 minutes.

KIWANIANS ARE "FLYING HOME"

Join us Saturday, October 15th, 2011 for "Flying Home," a dinner and hangar dance at the Skytech Main Hangar at the Rock Hill/York County Airport. Kiwanian Dick Sanford along with several committee members have arranged a night full of dancing, entertainment, food and fun all in celebration of the greatest generation! A World War II era Tinker Belle will be on site for tours. Hanger dances are 1940's recreation dances that are held in airplane hanger and is full of great music and dancing. As if that isn't enough, hanger dances are also a great opportunity to learn about World War II from the heroes who actually lived through it. Sponsored by local businesses and community members, this great event is like taking a step back in time...and it's all for a great cause!

Tickets are just \$75/person and sponsorship packages are available. All proceeds will benefit the Kiwanis Club of Rock Hill's youth serving programs including Terrific Kids. For more information and to purchase tickets, call (803) 327-9999 or see Dick Sanford, Lyle Back and any other of Flying Home committee member.

So join us as we "Fly Home" and support a great cause all while making a high flying impact right here in Rock Hill!
